

Student Community & Leadership Development (SCLD) condemns all forms of racism and stands with **Black Lives Matter**. In support and solidarity, our Leadership and Development Coordinator, Urshian Khalid ([@iamursh](#), urshkhal@yorku.ca), has compiled this working resource document -- to be continually updated -- with the intention to amplify Black and Melanated voices and businesses, as well as provide links to strengthen our allyship, identify petitions, donate, and educate so that we may do better, and be better in the challenging and dismantling of anti-Black racism.

There is always more to learn, and as such, this list is only a starting point. If you have further resources, or have concerns about any resource linked, please reach out. *We have work to do.*

Disclaimer: This file was last updated June 5th, 2020.

This document is a compilation of resources found through pre-existing guides, lists, through my own research, and content collected over various personal social media platforms. Where applicable, I have referenced the guide and/or content creator. While I share these links and resources in support of dialogue, education and anti-racist advocacy, Student Community & Leadership Development is not responsible for any of the accounts, creators or websites referenced. As we engage in our own listening, learning and action, this resource may be updated. Please reach out if you have any concerns as we do the work together.
